3. Research, Consultancy and Extension

3.1 Initiatives of the IQAC in Sensitizing/Promoting Research Climate in the institution

The IQAC plans research activities to strengthen research culture and to develop scientific temper among the faculty and the students. The IQAC plays a pro-active role by encouraging students to actively involve in research. Faculty members are encouraged to avail opportunities for research grants for projects and fellowships offered by UGC. Vibrant, rapidly expanding research culture in undergraduate student is integrated into the research environment of the college. For that, the departmental seminars, study tours, industrial visits, wallpaper and poster presentation, project works etc. are undertaken. The college provides all possible support for carrying out research work like, laboratory facility, research journals, e-books, and internet facility. Through the activities of *Vivek Vahini* scientific attitude is developed among the students. The students are motivated to participate in research competitions like *Avishkar*. Under the *Inspire* scheme some students undertake research project work in other institutes for which they are given scholarship of Rs. 80,000/- per student per year.

7. Innovations and Best Practices

7.1 Innovations introduced during this academic year which have created a positive impact on the functioning of the institution. Give details.

- Academic and Administrative Audit (AAA)
- ICT Training to the Staff
- Conducted NGPE Test for Science students
- Skill Development Courses to enhance employability
- Computerized circulation in the Central Library
- Digital Institutional Repository by the library
- Organized a Workshop in collaboration with IIT, Madras by the Dept. of Computer Science
- Water Audit of the college by the Dept. of Environmental Science
- Training programme on Ethical Hacking Tools and Software by the Dept. of B.C. S.

7.2 Provide the Action Taken Report (ATR) based on the plan of action decided upon at the beginning of the year

- The college has been reaccredited in the 3rd Cycle by NAAC with 'A' Grade (CGPA - 3.24)
- Organization of 03 National Conferences/Seminars.
- Enhancement in research output
- Increase in collaborations
- Growth in participation in *Avishkar* Research Festival
- Regular updating of the College Website

7.3 Give two Best Practices of the institution (*please see the format in the NAAC Self-study Manuals*)

- Academic and Administrative Audit (AAA)
- College publications

****Provide the details in annexure (annexure need to be numbered as i, ii,iii)***

7.4 Contribution to environmental awareness / protection

- Green Campus
- Carbon neutrality drive
- Use of Solar lights
- Use of LED bulbs
- Organization of Environment Awareness programmes
- Power shut down in the hostels and college campus during low occupancy
- Rain-water harvesting
- Waste management (Composting and Vermi Composting)
- Safe disposal of laboratory waste and e-waste
- Motivation to the student so protect environment and promote cleanliness to prevent pollution

7.5 Whether environmental audit was conducted? Yes ☒ No ☐

7.6 Any other relevant information the institution wishes to add. (for example SWOT Analysis)

Strengths:

- Best academic track record in the university
- The college is situated in the prime location
- Well maintained infrastructure and external facilities
- Environment friendly atmosphere
- Good research environment
- Quality library facilities
- Impressive public image
- Well-equipped laboratories
- Excellent placements
- B. Voc. And community College

Weaknesses:

- Less number of PG programmes
- International conferences/ seminars yet to be organized

Opportunities:

- Organization of international conferences/seminars
- To start new PG programmes
- To start consultancy

Challenges:

- To seek academic autonomy
- To start new PG programmes

8. Plans of institution for next year

- To organize international seminar/conferences
- To organize two national seminars/conferences
- To start new PG programmes under Commerce and Science stream
- To submit the proposal to increase an extra batch of students for M.Sc. (Org. Chem.)

A) Best Practice-I

1) Title: Academic and Administrative Audit (AAA)

2) Goals:

- i. To get the college assessed through the external panel of peers
- ii. To enhance the quality of the college by seeking suggestions and recommendations from the panel
- iii. To know the status of the college at academic and administrative level.

3) The Context:

The college gives prime importance to quality education by adopting quality measures. One of the ways to ensure quality is to evaluate the performance of the college through self-assessment and volunteer itself for assessment by the external Panel of peers. So the Academic and Administrative Audit of the college is carried out at the end of every academic year to evaluate the performance of the college in academic and administrative practices.

4) The Practice:

The Academic and Administrative Audit is carried out by the Panel of the peers at the end of every academic year. The panel consists of (1) the Senior Principal, (2) three senior teachers from the Arts, Commerce and Science faculties, and (3) one senior member from the administrative staff. All the members of the Panel are from other colleges. The audit is carried out as per the format prepared by the Panel taking into consideration the guidelines of the NAAC for accreditation of the institutions. The panel visits the college on the scheduled date as per the programme prepared well in advance. The panel interacts with the Principal, faculties and the administrative staff, as well as, visits the departments and support services. The panel verifies the documentary evidences available for validation. The panel also observes seriously whether the suggestions made by the previous panel have been rectified properly. The panel submits detailed report to the Principal in the Exit Meeting based on SWOC analysis.

5) Evidence of Success:

Due to the Academic and Administrative Audit (AAA), the overall profile of the college has enriched with more number of research activities (increase in MRPs, publications, presentations, organization of national seminar/conferences, etc.), introduction of CoCs for career/skill development, introduction of new PG courses, of cultural, sports and extension activities. The profiles of the individual teachers have also been enriched due to their active participation in research, academic, extension and other activities. The number of MoUs/collaborations has been increased up to 22. The number of scholarship holders has been increased. The college has won the General Championship of the Central Youth Festival of Shivaji University. The college sports persons represented in the London Olympics 2012. The administrative work has become up-to-date. Due to the AAA practice, the teaching learning and administrative works have become disciplined.

6) Problems Encountered and Resources Required:

The main problem for implementation of the AAA is availability of the peers on a particular date.

The resources required are the experts from various faculties, and financial assistance.

B) Best Practice - II

1) Title: College Publications:

- Research (*Vivek Research*)
- News Bulletin (*Vivek News*)
- Brochure (*Alumni Brochure*)

2) Goals:

- To inculcate research culture among the teachers and students
- To inform and publicize the college activities to the stakeholders
- To maintain the data of the alumni for the college, and for the students' information

3) The Context:

In the higher education, research has got the prime significance in the policy of Govt. of India. The college has taken initiative in this direction to imbibe the research culture among the teachers and students. The college has created a platform for research talents through the publication of a peer reviewed biannual research journal *Vivek Research* with ISSN-2249-295X.

The college organizes academic and other activities regularly. To publicize these activities, the college has started its own news bulletin *Vivek News*.

The Alumni Brochure is published faculty-wise to maintain the data of the pass-out students every year.

4) The Practice:

The college has been publishing *Vivek Research* since June 2010 biannually. There is an Editorial Board for the journal, which works under the chairmanship of the Principal. The Editorial Board incorporates the experts from various areas. The research articles are invited from the faculties from all over India. The research articles received are sent to the peers for review. If the recommendations are favourable, the articles are published, otherwise they are sent for revision. The articles with negative recommendations from the peers are not published.

The college has an innovative practice of publishing *Vivek News* to publicize the activities of the college and to make the stakeholders know the details about them. The news are sent by the respective Coordinators of the activities to the Editor of the bulletin. After scrutiny and editing, the news are published.

The faculty-wise information about the third year students is collected from the office record to publish it in the *Alumni Brochure*. The brochure also contains the information about the activities of the alumni association conducted during the concerned academic year. It is published at the end of every academic year and distributed to the student along with their statement of marks.

5) Evidence of Success:

It is noticed that due to the publication of the journal, the research culture among the teachers and students is boosted. Number of MRPs undertaken by the faculties is increased considerably. During the last five years, the faculty members of the college have undertaken 27 major/minor research projects with the total outlay of Rs. 68,32,600/-. The number of research articles presented in the national/international seminars/conferences has been increased. Number of research papers published in various periodicals is also increased in large number. In the *Avishkar* research competition, the students performed quite nicely by securing first prizes in 2010-11, 2011-12 and 2014-15.

Due to the bulletin, *Vivek News*, the publication and information of all the activities carried out by the college are communicated to the stakeholders, and the relationship between the stakeholders and the college is strengthened. As most of the news are reported by the students, their reporting abilities/skills are developed and the students have been working as reporters in local news papers. Because of the *Alumni Brochure*, the alumni association has become stronger, and the data about the alumni is readily available for the Placement Drives. The activities of the alumni association get proper publication through the large circulation of the Alumni Brochure.

6) Problems Encountered and Resources Required:

In the initial stage of the publication of the journal, there was no adequate number of research articles for publication. But due to the consistency in publication, there is good response from the researchers.

The resources required for the publications are availability of the research articles, the Peers, finance, and human resources.
